

MAIRI'S WEDDING

8x40 R

T_R 1

A diagram showing a right turn with one strand. The letter T_R is followed by the number 1. A curved arrow above the number 1 indicates a clockwise rotation.

T_L 1 $\frac{1}{4}$

A diagram showing a left turn with one quarter strand. The letter T_L is followed by the number 1 and a fraction $\frac{1}{4}$. A curved arrow above the number 1 indicates a counter-clockwise rotation.

R

A diagram showing a right turn with three strands. The letter R is enclosed in a square frame with L-shaped brackets on the left and right sides.
